

List of Officials for South Atlantic Championships At Georgetown Field Out Today

OFFICIALS CHOSEN FOR BIG AMATEUR MEET MAY SIXTH

South Atlantic Association Heads to Referee Championship.

GAMES ARE TO BE HELD AT GEORGETOWN

Thirteen Events on Program, With Several Hundred Entered.

The list of officials for the track and field championship games of the South Atlantic Association, Amateur Athletic Union, to be held on Georgetown Field May 6, was announced today by George J. Turner, chairman of the championship committee.

The list includes most of the officers of the South Atlantic Association, and some of the men prominent in athletics at Georgetown. The same officials will conduct both the championships and the interscholastic games to be given by Georgetown the same afternoon. The list follows:

Referee—J. Edward Tyler, Jr., president South Atlantic Association.
Clerk of the course—Albert M. Chesley, assistant clerk of the course—W. J. Leimkuhler and V. A. Dailey.

Scorers—W. G. Stuart and James O'Shea.
Timers—George J. Turner, W. H. Hellawell, W. C. Thacher, J. V. Mulligan, Theodore Strauss, and N. L. Wymard.

Judges of the finish—M. J. Thompson, H. G. Penniman, Robert Garrett, Washington Bowie, Jr., and Lathrop Cogswell.

Chief field judge—C. E. Beckett; field judges—D. H. E. Kelsey, Thomas Cornelius, Joseph J. Realiata, John T. Meany, and W. Y. Reithard.
Inspectors—J. A. Hancock, Thomas Smith, J. T. Kingsley, and D. M. Connor.

Coach Noonan of C. U. Goes to Scranton Today

Coach Peter Noonan, of the Catholic University baseball team, leaves today for Scranton, where he is signed to play first base for the team representing that city in the New York State League.

The leaving of Noonan at this time leaves the Catholics in dire straits, but Manager Jack Daly has three men in view, any one of whom, it is thought, will materially assist the team through its remaining list of games. The likely candidate at present is T. A. Murphy, of Hampton, Va., considered one of the best managers in the Peninsula League, and putting 16-pound shot. Entries for the championships will close Monday with W. G. Stuart, 145 G street northwest.

While deploring the loss of Noonan's services at this time, when the game with Georgetown is but a week off and Navy coming in a few days, the student body is, indeed, glad that Captain Tobin, the heavy hitter of last year's squad, is back with the team. He broke in the game yesterday with two hits.

It was too much "Chief" Greene for the North Carolina University team yesterday, and two hits and one run were all that they could make off him, the Catholics taking the game 4 to 1. Incidentally Greene struck out ten of the Tar Heels. Joane was rather easy for the Catholics, but Pember, who succeeded him, held his opponents safe at all times.

Georgetown Freshmen Puzzled By Defeat

The members of the Georgetown Freshmen baseball team are at a loss today to understand how they came to lose yesterday's contest with the Naval Medical School when they outbatted and outfielded their opponents and still were forced to take the small end of a 9 to 8 score.

It was the sixth consecutive victory for the Medicos. An assisted double play by Watson was the feature of the game. Following is the score by innings:

N. M. S. 132001011—8
G. W. Freshmen 040100201—3
Batteries for G. W. Freshmen, Lamberton and Bergen; for Medicos, Yoho and Watson.

Pool Players to Meet.

Nachman and A. Engle are carded to meet tonight in the Lamb's Club pool tournament, and an interesting match is expected. Curley Moore defeated Strassburger, 100 to 92, last night in the tournament, and the match proved to be one of the most closely contested so far.

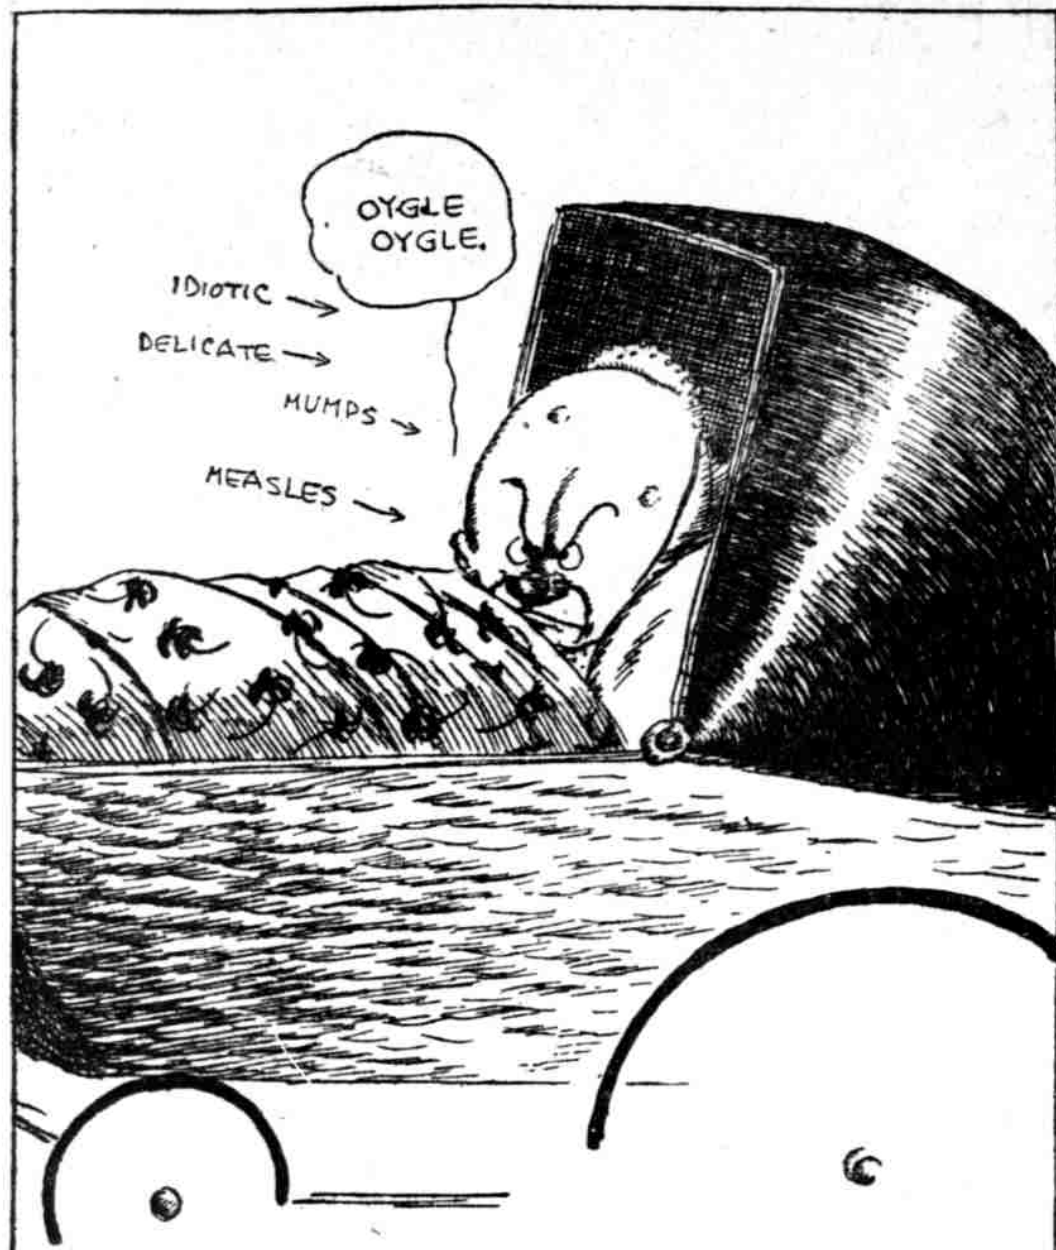

Park Opens Tomorrow.

The Technical High School ball team goes to Alexandria tomorrow, when the new park of the Cardinal Athletic Club will be formally opened. The new park is a beauty, and will accommodate many more persons than did the old one.

RECIPROCITY TOUR PLANS TAKE SHAPE AS ROUTE IS MADE

Washington Motorists Learn More of Glidden Run Conditions.

GRADE I CONTEST WITH PENALTIES

Daily Mileage and Other Details on Entry Blanks Supplied.

By HARRY WARD.

With the Glidden reciprocity tour pathfinder well on its way to Ottawa, plans for the big tour, which is scheduled to leave Washington on the morning of June 12, are beginning to take definite shape.

The officers of the Automobile Club of Washington have received some interesting facts relating to the tour from the contest board of the American Automobile Association. It is stated the tour this year will be a grade I contest with penalties for time, road work, final operative tests and final technical examinations. The definite route and night stops will be announced as soon as the pathfinder trip has been completed by the touring information board of the three A's. According to the entry blanks, the following will be the daily mileage: First day, 182; second day, 219, third day, 250; fourth day, 209; fifth day, hill climb; sixth day, 146; seventh day, Sunday, stop-over, and eighth day, 135. This makes a total of 1,091 miles.

Stringent conditions are provided for the eligibility of the cars. Registered stock cars only shall be eligible to compete, and must have their stock certificates of description filed with the contest board not later than May 30, 1911. No car can start in the tour until its registration number has been assigned and its certificate of registration issued by the contest board. 1912 stock models will not be eligible for entry unless they can comply with the requirements of the stock car definition of the 1911 contest rules, and a minimum of twenty-five of such models have actually been built prior to the start of the contest. The cars will be divided, according to price, into seven divisions of class A.

The entry fees, payable at the entry, are as follows: One car, \$20; two cars by the same entrant, \$40; three cars by the same entrant, \$60; each additional car by the same entrant, \$100. Entries close at midnight, June 1, with S. M. Butler, chairman contest board, New York.

Twelve cars have been entered in the Four Leaf Clover Run and the prospects are bright for twenty-five machines to compete in the unique event. Three entries were made yesterday with Capt. Ted S. Johnson, of the Automobile Club of Washington, who has charge of the run. Miller Brothers entered a Velle and a Ford, while Norman S. Bowles added a Warren-Detroit to the entry list. Charley Miller, a veteran competitor in endurance contests, will pilot the Velle, which will make its first appearance in Washington in a competitive automobile event.

RIXEY AND ERRORS RUIN OF GEORGETOWN AT CHARLOTTESVILLE

Shut-Out in First Game of Collegiate Season Hard Blow.

Too much Rixey and too many errors is the way Georgetown players are today explaining the second defeat of the collegiate season, which the team suffered at Charlottesville yesterday, when Virginia won the first game of the series between the universities by 8 to 0. Virginia had looked forward to the Georgetown game with considerable fear, because of the manner in which the Blue and Gray had been trimming the Northern colleges. But once the teams took the field yesterday Virginia showed to better advantage in every department of play.

Fleagle Gets Poor Start.
Big Rixey held the West Enders safe at every stage, while Fleagle got a poor start and was miserably supported in the field that he never had a chance after the first inning.

Catches by Douglas and Driver and the general work of Captain Sittler were the fielding features of the game.

The second game between the universities will be played at the Georgetown Field Monday.

The University of North Carolina will play at Georgetown Field this afternoon at 4 o'clock. White and Fury will probably be the battery against the Tar Heels.

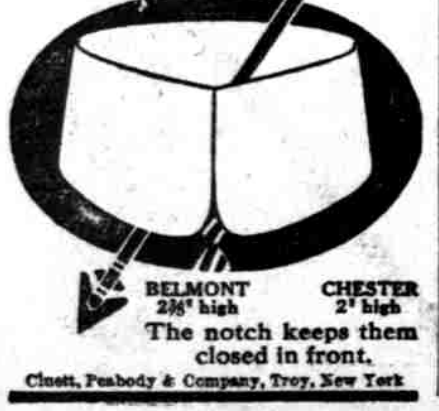

College Results.

At Cambridge—Harvard, 2; Trinity, 0.
At Hanover—Dartmouth, 4; Bowdoin, 2.
At New York—University of West Virginia, 9; Manhattan College, 7.
At Richmond—North Carolina A. and M. College, 11; Richmond College, 0.
At Ithaca—Cornell, 8; Bucknell, 4.
At Emmitsburg, Md.—Mt. St. Mary's, 12; Hamilton, 0.
At Blacksburg, Va.—Eastern, 6; V. P. I., 1.

Returns With Defeat.

The Eastern High School baseball team is back from Alexandria today, where it suffered defeat at the hands of the Episcopal High by the score of 11 to 8 yesterday. Heavy hitting on the part of the winners and poor fielding on the side of the losers contributed to the defeat.

The notch relieves you of the both of buttoning and unbuttoning

WESTERN AND TECH GLAD AND SAD AS RESULT OF BATTLE

First Game of Season Six to Three Against Manual School.

There is real joy at Western High School today, while there is real gloom at Tech, as a result of the opening game of the championship series at Georgetown Field yesterday which was won by the Red and White by 6 to 3.

It was the first time in years that Western won the first game of the series between the universities by 8 to 0. Virginia had looked forward to the Georgetown game with considerable fear, because of the manner in which the Blue and Gray had been trimming the Northern colleges. But once the teams took the field yesterday Virginia showed to better advantage in every department of play.

The little Western twirler fanned fifteen of his opponents and allowed only four hits, but one of which was clean cut. The work of both Austin and Garland suffered in comparison with the excellent performance of Holden.

The big feature of the afternoon came in the first inning, when Captain Myers, of Western, with two on the bases, made one of the longest hits ever credited to a schoolboy in this city, driving the ball over the bank in right center field and completing the circuit, before the sphere was returned to the infield.

Friday afternoon Central and Business meet in the second game of the series for the title.

Link-Perelli Wrestling.

Both Shad Link and John Perelli, the heavyweights who are to wrestle at the Gayety Theater tonight, are confident of victory, and there appears to be great interest in the bout. It will be a finish affair, best two of three falls. Pat O'Connor will referee.

NEW RECORD MADE BY ENTRY DEMANDS FOR MAY MARATHON

Additional Blanks Printed for Laurel to Washington Event.

A new record in the matter of a demand for entries for the Intercity Marathon race has been set.

Although blanks for the event from Laurel to this city on May 13 have been out only a week, the whole supply was exhausted last night, and a new lot was printed and placed at Spalding's and White's this afternoon. From present indications a number of athletes who are novices in long distance running, will take part, which means that the uncertainty as to the probable winner is but increased as the list grows.

Four More From City.

Four more Washington runners officially filed their blanks today. They are Donald Kessler, G. E. Moore, and George N. Brown, novices and R. A. Moore, Country Club, and they are all members of the Y. M. C. A.

In Baltimore the interest in the race continues and those in charge there are predicting a record breaking list from that city.

Roads In Good Shape.

A party of automobilists, who were over the roads from Baltimore this morning, said that the stretch from Laurel to this city has dried out greatly within the last two days. "The only bad spots are near Conto, where a corps of laborers is at work making improvements," they declared.

Petworth Team Busy With Practice Games

The Petworth team of the Suburban League, will have its hands full the remainder of the week with its practice games. The team will likely play every day except Sunday before the opening of the season on Monday, although there is a chance that Saturday's game scheduled with the Interior team will be canceled.

The Bureau team, of the District League, is scheduled for today at Gonzaga Park. The Navy Yard will be played tomorrow at the Capital Park, and Ninth is met Friday at Thirteenth and D streets northeast.

Will Adopt Schedule.

A schedule will likely be adopted at the meeting of the Capital City League officials in the office of President O'Shea, in the Century Building, tonight.

Disappointment Over Withdrawal of Team

There is great disappointment today among the members of the Railroad Y. M. C. A. League over the news that the United States Express Company team has withdrawn from the circuit. Unless the league officials uncover a team that will join the organization at a moment's notice the Railroaders will have to start their season next Saturday as a five-team club and the schedule will have to be revised accordingly.

The reason given by Manager Russell for the withdrawal, is that it was impossible to get the necessary number of capable players. A meeting of the league officials has been called for Friday night at the Union Station, when the matter will be taken up and a course adopted to suit the circumstances.

HUNDREDS have taken advantage of my removal sale, notwithstanding the recent inclement weather.
